## 1 THANK YOU

Thank you for purchasing the Jabra SP5050 Bluetooth Speakerphone. We hope you enjoy it! This instruction manual will get you started and ready to make the most of your Speakerphone.

Speakerphones are capable of delivering sounds at loud volumes and high pitched tones. Exposure to such sounds can result in permanent hearing loss damage. The volume level may vary based on conditions such as the phone you are using, its reception and volume settings, and the environment. Please read the safety guidelines below prior to using this headset.

## 2 ABOUT YOUR JABRA SP5050

- 1 Answer/end button
- 2 Volume up button
- 3 Volume down button
- 4 Charge connector
- 5 Power on indicator light
- 6 Connecting status indicator
- 7 Call Status indicator
- 8 Low battery indicator

### 3 WHAT YOUR NEW SPEAKERPHONE CAN DO

#### Your Jabra SP5050 lets you do all this:

- Answer calls
- End calls
- Reject calls\*
- Voice Dialling\*
- Last number redialling\*
- Mute
- Night driving mode

\* Phone dependent

In Night Driving Mode all icons will shut off in order to allow you to concentrate on the most important thing while driving – traffic.

#### Specifications

- Talk time up to 12 hours/standby time up to 200 hours
- Internal rechargeable battery charged by provided car charger
- Weight 75 grams
- Operating range up to 10 metres (approx. 33 feet)
- Headset and hands-free Bluetooth profiles
- Bluetooth specification (see glossary) version 2.0

### 4 GETTING STARTED

The Jabra SP5050 is easy to operate. The answer/end button on the Speakerphone performs the different functions depending on how long you press it.

Instructions	Duration of press
Tap	Press briefly
Press	Approx: 1 second
Press and hold	Approx: 5 second

## 1. Charge your headset

Make sure that your Jabra SP5050 Speakerphone is fully charged for two hours before you start using it. Use only the charger provided in the box – do not use chargers from any other devices as this might damage your Jabra SP5050.

Connect your Speakerphone as shown in fig 2. When the LED indicator light is solid red on the car charger, your headset is charging. When the LED indicator light is green, it is fully charged.

## 2. Turning your Speakerphone on and off

Press the answer / end button to turn on your Speakerphone (see fig 1).

The power on indicator light will turn on. The connecting status indicator light will blink twice every 2 second until the Jabra SP5050 is connected to your mobile phone – then it will turn solid blue.

To turn off your Speakerphone press the answer/end button until you see a burst of flashes.

With Jabra AutoOff, your Speakerphone will automatically turn off 15 minutes after it has lost the connection to your mobile phone. So it doesn't matter if you don't turn off your SP5050 when you leave the car – SP5050 will take care of that for you.

## 3. Pair it with your phone

Before you can use your Jabra SP5050, you need to pair it with your mobile phone.

1. With Jabra Autopairing, your Speakerphone will automatically enter pairing mode the first time you turn it on.
2. Set your Bluetooth phone to 'discover' the Jabra SP5050.

Follow your phone's instruction guide. This usually involves going to a 'setup,' 'connect' or 'Bluetooth' menu on your phone and selecting the option to 'discover' or 'add' a Bluetooth device.\* (See example from a typical mobile phone in fig 3).

3. Your phone will find the Jabra SP5050.

Your phone then asks if you want to pair with it. Accept by pressing 'Yes' or 'OK' on the phone and confirm with the pass-key or PIN = 0000 (4 zeros). Your phone will confirm when pairing is complete.

#### **4. In case of unsuccessful pairing, repeat steps 1 to 3.**

You can manually put your Jabra SP5050 into pairing mode, if you want to pair with a new phone:

1. Make sure the Speakerphone is off.
2. Press and hold the answer/end button for approx 7 sec. until the connection status indicator light starts blink continuously.
3. Set your Bluetooth phone to discover your Speakerphone like described above

## **5 HOW TO...**

### **Answer a call**

- Tap the answer/end button

### **End a call**

- Tap the answer/end button

### **Make a call**

- When you make a call from your mobile phone, the call will (subject to phone settings) automatically transfer to your Speakerphone. If your phone does not allow this feature, press on the Jabra SP5050's answer/end button to transfer the call to the Speakerphone.

### **Reject a call\***

- Press the answer/end button when the phone rings to reject an incoming call. Depending on your phone settings, the person who called you will either be forwarded to your voice mail or hear a busy signal.

### **Activate voice dialling\***

- Press the answer/end button. For best results, record the voice-dialling tag through your Speakerphone. Please consult your phone's user manual for more information about using this feature.

### Redial last number\*

- Double-tap the answer/end button.

### Adjust sound and volume

- Tap the volume up or down to adjust the volume.
- To mute, press both volume up and down at the same time. A low beep alert plays during a muted call.
- To un-mute, tap either of the volume buttons.

### Transfer a call

- Press the answer / end button to transfer the call from the SP5050 to the mobile phone (or back to the Speakerphone)

### Bring the SP5050 in night driving mode

- When the Speakerphone is on and in standby mode, you press both the volume up and down button at the same time. The light will then turn off. You can turn the lights back on with another press. The Speakerphone will always power on with the lights turned on.

\* Functions marked with \* are dependent on your phone supporting these features. Check your phone's user manual for further information.

## 6 WHAT THE LIGHTS MEAN

What you see	What does it mean?
① Power on is solid red	The Jabra SP5050 is turned on
Ⓞ The connecting indicator Blink twice every 2 second	The Jabra SP5050 is in standby mode without being connected to your phone
The connecting indicator is blinking continuously	The Jabra SP5050 is in pairing mode
The connecting indicator is solid blue	The Jabra SP5050 is connected to your mobile phone
☎ The call status indicator is solid blue	The call is in the Jabra SP5050
🔋 The battery status indicator blinks every second	There is less than one hours of talk time left

## 7 TAKING CARE OF YOUR SPEAKERPHONE

- Always store the Jabra SP5050 with the power off and safely protected.
- Avoid storage at extreme temperatures (above 45°C/113°F – including direct sunlight – or below -10°C/14°F). This can shorten battery life and may affect operation. High temperatures may also degrade performance.
- Do not expose the Jabra SP5050 to rain or other liquids.

## 8 TROUBLESHOOTING & FAQ

### **I hear crackling noises**

- For the best audio quality, have your mobile phone in line of sight of the Jabra SP5050

### **I cannot hear anything in my Speakerphone**

- Increase the volume on the Speakerphone.
- Ensure that the Speakerphone is paired with the phone.
- Make sure that the phone is connected to the Speakerphone – if it does not connect either from the phone's Bluetooth menu or by tapping the answer/end button, follow the pairing procedure (See section 3).

### **I have pairing problems even though my phone indicates otherwise**

- You may have deleted your headset pairing connection in your mobile phone. Follow the pairing instructions in section 3.

### **Will the Jabra SP5050 work with other Bluetooth equipment?**

- The Jabra SP5050 is designed to work with Bluetooth mobile phones. It can also work with other Bluetooth devices that are compliant with Bluetooth version 1.1, 1.2 or 2.0 and support a headset and/or handsfree profile.

### **I cannot use redial or voice dialling**

- These functions are dependent on your phone supporting them.

Please check you phone's manual for further details.

### **My Speakerphone does not respond to any button presses**

- Reset you Jabra SP5050 – by gently inserting a paper clip into the reset cavity on the back side of the device

## I want to clear the list of paired devices on SP5050?

- Press and hold Volume up and down together with the answer/end button for 7 sec.

## 10 WARNING

Speakerphones are capable of delivering sounds at loud volumes and high pitched tones. Exposure to such sounds can result in permanent hearing loss damage. The volume level may vary based on conditions such as the phone you are using, its reception and volume settings, and the environment. Please read the safety guidelines below prior to using this headset.

### Safety guidelines

1. Prior to using this product follow these steps:
  - Before using the speakerphone, turn the volume control to its lowest level,
  - Use the speakerphone in conversation, and then
  - Slowly adjust the volume control to a comfortable level.
2. During the use of this product
  - Keep the volume at the lowest level possible and avoid using the speakerphone in noisy environments where you may be inclined to turn up the volume;
  - If increased volume is necessary, adjust the volume control slowly; and
  - If you experience discomfort or ringing in your ears, immediately discontinue using the speakerphone and consult a physician.

With continued use at high volume, your ears may become accustomed to the sound level, which may result in permanent damage to your hearing without any noticeable discomfort.

### Drive safely

Several studies have shown that cell phone usage while driving creates a distraction to the driver which may increase the likelihood of an accident. This distraction potential is not eliminated by the use of a hands-free phone. Hands-free phones have not

been shown to be safer than hand-held phones with respect to driver distraction. When using the phone while driving, keep conversations short and resist any temptation to make notes or read documents. Before answering calls consider your circumstances. Pull off the road and park before making or answering calls when driving conditions require (e.g. bad weather, high traffic density, presence of children in the car, difficult junctions or manoeuvres)

### **REMEMBER; DRIVING COMES FIRST, NOT THE CALL!**

#### **Abide by local laws.**

Please check if the local laws where you live restrict the use of mobile phones while driving. It is the owner's responsibility to use this product in compliance with the laws of the place where you live.

#### **WARNING!**

Keep out of reach of children: The plastic bags the product and its parts are wrapped in are not toys for children. The bags themselves or the many small parts they contain may cause choking if ingested.

#### **WARNING!**

ACA TS028 – Ignition of flammable atmospheres: Do not use the Headset in environments where there is a danger of ignition of flammable gases.

## **11 WARRANTY**

### Limited Two (2) -Year Warranty

GN Netcom A/S, warrants this product to be free from defects in materials and workmanship (subject to the terms set forth below) for a period of two (2) year from the date of purchase ("Warranty Period"). During the Warranty Period, GN will repair or replace (at GN's discretion) this product or any defective parts ("Warranty Service"). If repair or replacement is not commercially practicable or cannot be timely made, GN may choose to refund to you the purchase price paid for the affected product. Repair or replacement under the terms of this warranty does not give right to any extension or a new beginning of the period of warranty.

#### **Claims under the Warranty**

To obtain Warranty Service, please contact the GN dealer from which you purchased this product or visit [www.gnnetcom.com](http://www.gnnetcom.com) or [www.jabra.com](http://www.jabra.com) for further information about customer support.

You will need to return this Product to the dealer or ship it to the dealer or to GN (if so indicated on [www.gnnetcom.com](http://www.gnnetcom.com) or [www.jabra.com](http://www.jabra.com)) in either its original packaging or packaging affording an equal degree of protection.

You will bear the cost of shipping the product to GN. If the Product is covered by the warranty, GN will bear the cost of shipping product back to you after the completion of service under this warranty. Return shipping will be charged to you for products not covered by the warranty or requiring no warranty repair.

The Following information must be presented to obtain Warranty Service: (a) the product, and (b) proof of purchase, which clearly indicates the name and address of the seller, the date of purchase and the product type, which is evidence that this product is within the Warranty Period. Please further include (c) your return address. (d) daytime telephone number, and (e) reason for return.

As part of GN/Jabra's efforts to reduce environmental waste you understand that the product may consist of reconditioned equipment that contains used components, some of which have been reworked. The used components all live up to GN/Jabra's high quality standards and comply with the GN product performance and reliability specifications. You understand that replaced parts or components will become the property of GN.

### **Limitation of Warranty**

This warranty is only valid for the original purchaser and will automatically terminate prior to expiration if this product is sold or otherwise transferred to another party. The warranty provided by GN in this statement applies only to products purchased for use, and not for resale. It does not apply to open box purchases, which are sold "as is" and without any warranty.

Specifically exempt from warranty are limited-life consumable components subject to normal wear and tear, such as microphone windscreens, ear cushions, modular plugs, ear tips, decorative finishes, batteries, and other accessories.

This warranty is invalid if the factory-applied serial number, date code label, or product label has been altered or removed from this product.

This Warranty does not cover cosmetic damage or damage due to misuse, abuse, negligence, Acts of Nature, accident, disassembling or modification of, or to any part of, the product. This Warranty does not cover damage due to improper operation, maintenance or installation, or attempted repair by anyone other than GN or

a GN dealer which is authorized to do GN warranty work. Any unauthorized repairs will void this warranty.

REPAIRS OR REPLACEMENTS AS PROVIDED UNDER THIS WARRANTY ARE THE EXCLUSIVE REMEDY OF THE CONSUMER. GN SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. EXCEPT TO THE EXTENT PROHIBITED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PRACTICAL PURPOSE.

NOTE! This warranty gives you specific legal rights. You may have other rights which vary from location to location. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above exclusions may not apply to you. This warranty does not affect your legal (statutory) rights under your applicable national or local laws.

## 12 CERTIFICATION AND SAFETY APPROVALS

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by GN Netcom is under license. Other trademarks and trade names are those of their respective owners.

## 13 GLOSSARY

- 1 **Bluetooth** is a radio technology that connects devices, such as mobile phones and headsets, without wires or cords over a short distance (approx. 30 feet). Get more information at [www.bluetooth.com](http://www.bluetooth.com)
- 2 **Bluetooth** profiles are the different ways that Bluetooth devices communicate with other devices. Bluetooth phones support either the headset profile, the hands-free profile or both. In order to support a certain profile, a phone manufacturer must implement certain mandatory features within the phone's software.
- 3 **Pairing** creates a unique and encrypted link between two Bluetooth devices and lets them communicate with each other. Bluetooth devices will not work if the devices have not been paired.
- 4 **Passkey** or PIN is a code that you enter on your Bluetooth enabled device (e.g. a mobile phone) to pair it with your Jabra SP5050. This makes your device and the Jabra SP5050 recognize each other and automatically work together.
- 5 **Standby** mode is when the Jabra SP5050 is passively waiting for a call. When you 'end' a call on your mobile phone; the headset goes into standby mode.
